

## ATTAX Heavy-Duty Surface Cleaner *Penetrates and Emulsifies*

### PRODUCT DESCRIPTION

A versatile surface cleaner that is a safer choice for the user's health and the environment (NSF Certified). This high performance cleaner penetrates and breaks down bonds to allow for a fast streak free rinse. Readily biodegradable, it does not contain ozone-depleting substances, and is non-hazardous for municipal sewage systems, wildlife and vegetation. It does not contain carcinogens, has low oral, and dermal toxicity and safe on skin!

### DIRECTIONS

Can be used straight or diluted with water. Mix well and Apply with Hand sprayer, mechanical system, or pressure water. Rinse with highest pressure and temperature available.

### APPLICATIONS

Institutional, Residential, Commercial, Industrial Maintenance, Transportation, Manufacturing, Agriculture, Construction, Natural Resources, Environmental Services, Communication Industries and more...

### EFFECTIVELY REMOVES

Penetrates a wide range of deposits from light & medium oils to proteins and other organic matters. Carbon, soot, graphite, light oils, grease, soil, Heavy oils, Tars, Solvent Based Products, Water Repellent Grease, waxes and protein deposits in the various industry applications.
