

Plague Doctor

Hand Care Essentials

The Plague Doctor Essentials Kit includes the Plague Doctor Liquid Hand Sanitizer. Formulated with 70% Pharmaceutical Grade Isopropyl Alcohol, a first-rate level of protection! When used as directed, it's a convenient way to wash your hands when you are outdoors, in your car or anytime you need a little extra protection against pathogens.

Next up, the Plague Doctor Foam Hand Soap. This unique luxury hand soap makes washing hands invigorating! The soft textured foam keeps you lathering longer. The light scent leaves you feeling clean without overwhelming your senses. Perfect for everyday use by a sink at home or in the office. As a plus foam soap is generally less expensive than liquid soap.

And finally, Plague Doctor Waterless Hand Soap. What makes this product different from conventional liquid soaps is you can use it with or without water! Simply wash for 20 seconds and rinse or just wipe clean! The formula contains no water with the top ingredient being Aloe, which will leave your hands feeling soft and clean.

APPLICATIONS For home, office, or outdoor use.

EFFECTIVELY REMOVES When used as directed these hand care products may effectively remove bacteria from your hands.
